XAUUSD Daily Report — Fri 13 Nov 2026 (Asia, pre-PPI)

SHAFX · Geopolitics × Bond Market · regime: RATES (escalation → oil → hike odds → yields → gold down)

Headline: gold broke $3,900 and its Oct 30 low on Thu 12 Nov, falling −2.7% to ~$3,881 spot (low $3,852.14, lowest since Oct 3, 2025; Dec futures settled $3,885.30). Houthi and Hormuz strike claims lifted Brent +3.3% to $95.82, the 10Y rose ~12bp to ~5.10% after a tailed 30Y auction, and DXY made a fresh 19-month high near 103.2. Friday Asia bounced ~1% toward ~$3,917 (single feed). October PPI is today.

Intraday bias

Engine	Read	Tag
War news	Houthi claims vs Saudi pipeline/Yanbu/Riyadh; Iran army: 4 tankers hit (unverified); Trump: "We don't need a deal with Iran"; Brent +3.3%	BEARISH VIA OIL
Bonds/Fed	10Y ~5.10%, 2Y ~4.88%, 30Y auction 5.441% (0.4bp tail); Dec +25bp ~87%, +50bp ~13%	DOMINANT HEADWIND
USD	DXY ~103.2, +0.27%, 19-month high	HEADWIND

Net: bearish. Sell 3,942–3,970 rallies while the 10Y holds above 5%. A hot PPI (core ≥0.4%) targets 3,852 then ~3,738; a soft PPI with the 2Y under ~4.80% is the squeeze trigger toward 3,970–4,000.

Geopolitics & posts

Nov 12 · Houthis claim strikes on a Saudi East-West pipeline pumping station, Yanbu and an Aramco building in Riyadh; coalition says two drones intercepted. Iran's army says four tankers hit in Hormuz (Reuters could not verify; IRGC/Euronews counts conflict). Brent +3.3%, gold −2.7% — scored a RATES HIT (14/21).

Nov 12 · @realDonaldTrump: "We don't need a deal with Iran" — measured: sold via oil. Nov 11 · @CENTCOM: "strictly enforcing the ironclad naval blockade against Iran" — context.

Nov 11–12 · Omani official denies Didamar was attacked; Ghalibaf: seven conditions sent via a Qatari mediator, awaiting a US reply. No talks venue or date — the bullish tail stays shut.

Market sentiment

Futures and prediction markets (Kalshi 87/12/3, Polymarket 86/13) agree a December hike is priced; the debate is 25 vs 50bp. Hammack argued for smaller, more frequent hikes. Tai Wong cites stop-loss liquidation of recent longs; Spivak (Tastylive) sees markets struggling for follow-through; OCBC flags two-way risk. Tape verdict: four sessions, one chain — rates in charge.
